Enchant the World with les Arts Florissants

“ Les Arts Florissants is more than a Baroque music ensemble: it is a true family. By supporting and guiding young singers, instrumentalists, and dancers, it brings the Baroque spirit to life every day, sharing it with audiences in its home in Thiré, at the Philharmonie de Paris, and around the world.

From the very beginning, our audience has been our friends and supporters. Your generosity is vital to us.

Join this artistic journey and embark with us on a Baroque adventure!
